

# OOTOPOS HINTS

In order to keep from revealing too much, you will need to decipher these hints. Substitute the letters shown below to read both questions and answers. A list of key words is shown in alphabetical order. When you want to find out more about something, look up the word. The numbers next to the word are the numbers of the questions.

The hints underneath the questions are given in this order:

1. Helpful, but vague.
2. VERY specific.

GOOD LUCK!!!!
