JOIN OUR QUEST!

Annual dues are \$19. If you wish to receive the *Journal* via 1st Class Mail, request "Adventure Express" and add \$6 for the extra postage and

the Dragon-proof envelope. It arrives 7-10 days faster.

You'll also get the most up-to-the-minute news: "Adventure Express" includes a two-page extra with all the news that happened during the week the current issue was being printed. No one else can deliver such fast-breaking news. You'll also get some of the clues that will appear in the following month's issue, as well as brief quotes, notes and recommendations from upcoming reviews.

"Adventure Express" is included with all Air Mail delivery memberships (\$26 to Canada or Mexico, \$36 to other overseas addresses). It is strongly recommended for APO and FPO addresses.

BEST OF BOTH WORLDS!

Suppose you play simulations and adventures? Then we have a real bargain for you: join *QuestBusters* and get *Simulations!* for half-price! That's a total of 18 issues a year, covering 95% of the computer games released for the IBM and Amiga.

SIMULATIONS!™

If you love the thrill of the...wait a second, haven't you heard this somewhere before? Yes, because *Simulations!* does for flight simulators and *SimCity*-type games what *QuestBusters* does for adventures.
