

COLOSSAL ADVENTURE CLUES

1. How to use these clues

Listed below are most of the things, interesting locations and main puzzles in Colossal Adventure. Look down the list to locate what you want to know about and then turn to the entries indicated by the bracketed numbers to find out more about it. Of course, when you do turn to an entry you may find that it gives a short clue and you have to turn to yet more entries if you want to know the full story.

Warnings

Try to only read the clue entries that you are actually directed to. Otherwise you may accidentally see solutions to problems that you've not yet reached in the game. A few red herrings have been mixed in with the real clues to reduce the risk of this - you won't be referred to them if you use this clue sheet properly, but reading random entries can be misleading!
