# ***THE ADVENTURE***

A massive puzzle adventure with 7000 rooms.

The colony ship Snowball IX is nearing the end of its century voyage to Eridani A. But sabotage has altered its course – directly into the star! Only you can save it.

The adventure starts here, all you need is enough time to solve it! Enter English...

# ***SNOWBALL: THE ADVENTURE***

The background of the page is a green-tinted photograph of a landscape. It shows rolling hills or a valley with a small, light-colored structure, possibly a house or a barn, visible in the distance on the right side. The overall tone is monochromatic and somewhat ethereal.
