

**POLICE QUEST™ 2**  
*The Vengeance*

**HINT BOOK**

**W**elcome back to the City of Lytton with "Police Quest Two." I hope you are finding your experience as a Homicide Detective both fun and challenging. As in "Police Quest," we have attempted to install a sufficient amount of realism to give you, the adventure game player, a feel of being in the drivers' seat again with true-to-life situations.

It is quite different from Sierra's other adventure games, which tend to wait for you to solve their puzzles in whatever order you wish. Often "Police Quest Two" will just continue without you; if you fail to solve a puzzle, you will miss those points! Therefore, we expect many people to finish the game with a low score. This hint book will get you through successfully. If, in the unlikely circumstance that you have a problem that isn't covered in this hint book, feel free to contact Sierra's Customer Support Department at (209) 683-6858. In addition, take a moment right now and read your reference card. Be sure to experiment with all the Menu items.

### HOW THIS BOOK WORKS

The whole point of playing "Police Quest Two" is to discover its puzzles and then discover the solutions to them. However, some puzzles may be so well hidden that you don't even know where to begin. Or, this may be your first experience with an adventure game. Hence, this hint book.

### HOW TO USE THIS HINT BOOK

When you get stumped, look through this book and find the question that is closest to your problem. Use your answer card to uncover the answers in sequence by placing the red window over the answer you wish to read. Hints progress from mildly helpful hints, to strong clues, to here's the solution. It's best to read them individually, and in sequence. Be sure to read only those hints you really need.

### HOW NOT TO USE THIS HINT BOOK

You wouldn't be developing true detective skills by just scanning through the book reading all the answers! Read only those hints absolutely necessary, and as few of those as you can. Beware, you may find one or more fake questions hidden in this book.

### IF YOU HAVE FINISHED "POLICE QUEST TWO"

After you have "won" the game, we invite you to check out the back of this book. It contains several "potent" sections you will enjoy. But, be very cautious using this section! Don't even look at it until you have actually seen the end of "Police Quest Two."

Thank you for playing "Police Quest Two." Hopefully, this game has given you a little insight as to some of the things you can experience as a Police Detective.

*Jim Walls,  
California Highway Patrol, retired*

## GENERAL QUESTIONS

**All I do is wander about! Is this it?**

What's the point of this mission to find the keys to your car?  
Did you find them? Were you seen? In the back  
of the car? Did you check the trunk with the car?  
Did you check the trunk with the car?

**What's the point of this game, anyway?**

What's the point of this game? The point is to  
win. You can win by being the first to  
win. You can win by being the first to  
win. You can win by being the first to  
win. You can win by being the first to  
win.

**I'm tired of dying and starting over again from the beginning!**
