# Wizardry

**MILLIONS HAVE SOLD  
NOW A NEW LEGEND BEGINS**

The Wizardry series has sold millions of copies world wide. This fall, Sirtech ushers in *Nemesis*, the worlds first Wizardry Adventure. At Sirtech, "Wizardry" is a name a product earns, and *Nemesis* has been put through the wringer. Over 2.5 gigabytes of intense virtual worlds bring new meaning to the phrase "epic story." With a deliberate absence of video, *Nemesis* combines original 3D art and SVGA graphics with real time interaction. This is an intense story about virtual beings with real lives and real enemies that make your visit real unpleasant. *Nemesis* marks the beginning of yet another Wizardry legend.
