ALICE IN WONDERLAND™

Loading Your Adventure on the Apple®

1. Before loading, be sure the computer is turned off. If you will be playing with a joystick, plug it in before turning on the computer.

2. Place the ALICE IN WONDERLAND disk, with Side A facing up, in the disk drive.

3. Turn on the television or monitor and the computer.

4. The program will load. Shortly thereafter, a prompt will appear. Follow the prompt to:

   Insert Side B and press spacebar.

5. The introduction to the game will start playing immediately. It will provide you with your first clues to aid you in your quest.

   Note: The introduction replays continuously. You may exit the introduction by pressing the spacebar or joystick button.

Exploring Wonderland

Note: On the Apple computer you may use either an Apple joystick or the keyboard for character or cursor control. If there is no joystick connected, the following instructions apply:

Keyboard Action:
