Crazy Dim Crazy Christmas Sale

CAN YOU BELIEVE IT? Infocom has so many titles that there aren't room for them on distributor shelves. Maybe distributors can't stock them, but I can! I've bought out billions of *Starcross*, *Suspended*, *Infidel*, *Seastalker* and *Deadline* games at excessively low prices so I can sell them to YOU, the customer, at below wholesale costs. (These games are bound to become collector's items in the future, so I'm keeping a million each, myself.) So now, you can buy these games direct from me at the excessively low price of \$14.95 each! Since dealers won't be carrying these games any more, no one can undersell me, because I have a monopoly. (No, Lord Feepness . . . it's raise taxes, lower prices.)

ONLY \$14.95

ON A SADDER NOTE. Alas, microcomputers, like empires, sometimes fall into ruin and disuse. Since I have a soft spot for the obsolete, I've bought up all of Infocom's inventory for obsolete computers. (A moment of silence.) I'm offering these at a funeral sale price of \$14.95 each. See the Crazy Dimwit supplement for further details.

Save

A PENNY FOR YOUR HINTS? That's about what each hint will cost you if you take advantage of my excessive hint booklet sale! I got such a great deal from my Invisi-rep that I'm offering the following hint booklets at the LOW, LOW, price of **3 for \$10**: *Wishbringer*, *Zork III* (my favorite, since I'm in it), *Deadline*, *Suspect*, *Suspended*, *Planetfall*, *Infidel*, *Seastalker*, and *Cutthroats*.

Offer expires March 31, 1987.
