

# WORLD OF DOOM

## ENTER THE WORLD OF DOOM

DOOM — that unique series of computer recreation programs designed for TI-99/4A users who are seeking the ultimate "Big Game" challenge.

Packed with suspense, full of surprises, DOOM is enchanting — a compelling diversion that turns your leisure time into prime time.

DOOM is powerful and sophisticated.

A simple command system with Hi-Res graphics, 3-D maze displays, and superb programming provide you with month after month involvement and satisfaction.

DOOM is the only TI fantasy role/playing computer game you can buy.

### STAFF OF POWER

#### *The First Scenario*

Travel in search of treasures and power in the Dungeon of Dread. A fascinating ten/level maze full of monster's traps and hidden passages. As you gain skills the characters will grow stronger, wiser, and better able to survive. The final goal is elusive . . . your enjoyment unforgettable.

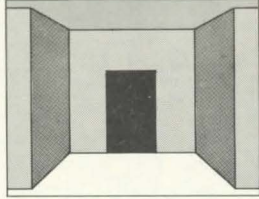

# APS01 . . . . . \$21.95

### RING OF THE DARK LORD

#### *The Second Scenario*

The Ring Raiders have stolen the Rings of Agnar and have returned with them to the castle of the Dark Lord, their master. Rumors about the castle tell of trap doors, hidden passageways and walls that move. Your challenge — to adventure through a twelve/level maze and reclaim the Rings of Agnar.
