HOW DO I GET INTO THE MANSION??

Around the back of the mansion is a tree CLIMB TREE and you are then on an overhanging branch. TIE ROPE and you can then get down into the mansion grounds.Explore the grounds before going inside.EXAMINE POOL (it's full of acid)SEARCH SHED and you find potash which will neutralise the acid.THROW POTASH and you can then go west across the pool and as long as you have the spade can DIG in the garden to unearth a flagstone.Read the message on it and MOVE FLAGSTONE/DIG and you will find car keys.Take keys to garage and go south to rear of car EXAM CAR to see boot.UNLOCK BOOT to find cash and hide it in shed.

WHAT DO I DO WHEN I GET INSIDE??

The way up is blocked(it will clear when score is 80%!) The way south is bricked up so USE PICKAXE to smash down wall and go south but don't go further south than the study at present! In the snooker room GET CUE and note the value of the missing snooker balls as this is the combination to the safe,Return to the study and DIAL 2753.In the safe are share certificates.Take them to the garden shed,cross the pool again,get and wear the rubber boots you find there.Go back inside the mansion and go south from the study and if you still have the suitcase key unlock the tool cupboard UNLOCK CUPBOARD .

There is a diamond inside but leave it just now. PULL LEVER first pull drains pool so go to pool location GO OPENING..it's dark in there so make sure you have the torch. The route through the maze of tunnels is WEST/SOUTH/SOUTH/NORTH/UP north from the steps is a steel door with a button high up on the wall so you need the cue to reach it. PUSH BUTTON opens the door, ignore the water and go IN/UP to the hidden alcove. CLIMB TABLE to see a trapdoor in the ceiling. DOWN off table then WAIT/WAIT for the water to drain away. DOWN/OUT/PUSH BUTTON (for a second time to open trapdoor) IN/UP/CLIMB TABLE/UP into the attic SEARCH ATTIC to find portrait. EXAM PORTRAIT/REMOVE FRAME you find the title deeds to the mansion. Retrace your steps to the garden shed. DROP DEEDS. Go back inside the mansion, pull the large lever twice more to open the chest in the kitchen. ENTER CHEST and you come out in the garden. Locate the tree and DIG to find a box of gems. get them and drop them in the garden shed. SEARCH SHED (for the second time) to find a pair of gloves get them and wear them. Enter the mansion for the last time and your score should be 80% so you can now go UP and pick up the diamond on the way...cut the glass case that is over the will CUT GLASS and if you are wearing the gloves you can safely pick up the will...that's it....you should now have 100%!!
